ABOUT ME

Student of Computer Science at the University of the People and passionate about technology.
Currently focused on Frontend Development with knowledge in HTML5, CSS3, JavaScript and React.js (learning in progress).
Aiming to evolve into a Fullstack Developer, combining frontend and backend skills.
Motivated by continuous learning, teamwork and the desire to contribute meaningfully to innovative projects.

WORK EXPERIENCE

Mr pizza Lisboa, Portugal

Assistant manager
08/03/2025 – Current
- I returned to Mr. Pizza at the invitation of management to contribute to the restructuring and growth of a branch that was at risk of closing.
- I worked on reorganizing the team, improving internal processes and increasing sales.
- I adjusted my workload to focus on my Computer Science studies and continue developing leadership skills.
