ABOUT ME

Frontend Developer focused on React and modern JavaScript (ES6+). Experienced in building responsive web applications, reusable components and REST API integration. Strong understanding of UI structure, state management and clean code principles. Currently seeking a Junior Frontend Developer opportunity.

WORK EXPERIENCE

● Studio Cedro Marcenaria Rio de Janeiro, Brazil

Web developer

01/03/2026 – Current

- I am responsible for the creation, planning, maintenance, and evolution of the website
- I prioritize responsiveness, clean code, scalability, and good quality.
- I assign new tasks and new functionalities in accordance with the client.
- Always following business rules.
- Always using agile methodology for project organization.
- I implemented authentication flows, protected routes, and integrations with REST APIs.
- I developed several front-end applications using React, TypeScript, and JavaScript, focusing on scalable and easily maintainable architectures.
- I built modular component-based structures with separation of responsibilities and reusable layouts.
- I applied responsive design principles and user interface best practices.
- I managed version control with Git and structured repositories following professional standards.

● Medida Vibrante LDA Lisboa, Portugal

Web developer

03/2026 – Current

- Development and maintenance of the company's institutional website, working as a freelancer responsible for its structure and performance. Use of technologies such as HTML5, CSS3, and JavaScript to create functional and responsive interfaces.
- Production of promotional materials (flyers) in alignment with the marketing team, ensuring visual and communicational consistency.
- Implementation of direct integrations with the company's social media networks, including message automation to optimize audience engagement.
- Lead generation and management through the website, contributing to the generation of business opportunities and potential clients.

● Various food and retail companies Rio de Janeiro, Brazil

General Clerk / Manager Assistant

2015 – 2024

- Customer service, cashier operations and stock replenishment.
- Support to teams in routine activities and product organization.
- Experience in high-pressure environments, with a focus on quality and customer satisfaction.
- Development of interpersonal skills, responsibility and teamwork.
